Classical Vocal Reprints

Reprints of Opera Scores 2008

General Information

This catalog is arranged alphabetically by composer. After each title are abbreviations to indicate the language of the text. In most cases the language of the piece is determined by the language used to list the title, except for Russian Scores which are usually translated into English, French or German.

These abbreviations are placed at the end of the title to also indicate languages.

e. = English f. = French g. = German i. = Italian p. = Polish
d. = Danish l. = Latin r. = Russian c. = Czech n. = Norwegian
fn. = Finnish s. = Spanish sw.=Swedish h. = Hungarian

This catalog contains reprints primarily of piano vocal scores. When known, the original publisher is listed. Please note most of the Handel scores are study scores (full orchestral scores) reduced to 8.5inches x 11inches.

All scores are bound by plastic comb bindings. Libraries or individuals may request unbound scores. There is no reduction in price, however.

Note to Retail Customers: We stock over 1000 different opera scores published by Bärenreiter, Boosey and Hawkes, G. Schirmer, C. F. Peters, G. Ricordi and many other publishers. Please be aware that scores that have low sales figures are custom printed these days and the publisher's backlog can mean several months wait until we receive the music . Please plan well in advance.

Note to Music Dealers: We do not wholesale music of other publishers. We wholesale only music we publish and distribute. There is a short discount for the opera scores listed in this catalog.

Prices and availability subject to change without notice.

This catalog is an offer for sale only in the USA.

Publications of Major Publishers may be found on our Links Page. Please call if you are looking for something specific and we will help you.
