## General Information for Spanish & Latin American Vocal Catalog

**Please Note:** It is very important to realize that the acquisition of music from the publishers contained in this catalog is difficult at best. This catalog represents our current stock as of February 19, 2008. Because of the expense required to warehouse so many titles, we can only stock a few copies of any given title. We do not have a crystal ball, so we never know what someone will order on any given day. You may receive some titles within a week or two or you may never receive them. Therefore, **do not plan your concerts until you actually have the music in your hands.** We accept orders by telephone at: 1 800 298-7474 or 1 479 442-2595, Monday-Friday 9am-6pm CST. You may inquire at that time if a title is in stock.

We are attempting to acquire a good selection of Spanish and Latin American vocal music and welcome your suggestions at: [sales@classicalvocalrep.com](mailto:sales@classicalvocalrep.com)

**Regarding titles without a price:** In most cases, titles listed without a price are titles that we are having difficulty in obtaining. We may or may not have one of these titles in stock.

This catalog is arranged alphabetically by composer, anthologies are at the beginning of the catalog.
